SUMMARY

I am a Nigerian clarinetist with a Diploma in Music (Clarinet) from the MUSON School of Music and 3 years of experience teaching clarinet to beginner and developing students. I provide one-on-one lessons that focus on building good technique, music reading, music theory, repertoire, and preparation for examinations. I plan lessons and practice routines according to each student's level, pace, and goals, while helping them develop confidence and enjoy learning the instrument. I hold a Distinction in Grade 8 Clarinet (Muson), Merit in Grade 7 (Muson), and my experience as a performer, including serving as Principal Clarinetist for the MUSON School Diploma Opera and Orchestra in 2026, has also strengthened my understanding of musicianship, ensemble playing, repertoire, and performance preparation.
